I just realised.. New Britannia looks like a well-blasted Sosaria, which was destroyed & became Britannia, so strictly, the cataclysm happened before U4's Britannia, so if SotA were in Ultima canon, would it be called Old Britannia? 🤔🤔

Aye, when i thought about it i realised that although SotA is completely not Ultima in any way, if it were, the events would be before people were calling it Britannia, so it'd be old Britannia, Or New Sosaria.. Nova Sosaria, or maybe Novia for short... Hmmm 🤔🤔🤔🤔

People living within a magically transmuted world are themselves transmuted at the same time, thus only an outsider will notice the difference. The people of Ultima 1-3 did not notice their world shift from Sosaria like to Earth like to Sosaria like. Only the Avatar knows.
